CRITERIA FOR ADVANCEMENT TO LEVEL 2 OF THE SPORT MANAGEMENT PROGRAM

Students apply for advancement to Level 2 during their sophomore year. Applications are accepted between November 15 and February 1. Students are encouraged to download the application found at www.kines.umich.edu.

Paper versions of the application are also available in the School of Kinesiology's Office of Student Services.

Advancement decisions are announced on or before March 15th.

Advancement in the Sport Management program in the School of Kinesiology is selective and is based on the following factors:

Completion of the following prerequisite courses during freshmen and sophomore years:

- SM 101: Public and Small Group Communication;
- SM 111: Historical and Sociological Bases of Human Movement;
- ENGLISH 125: English Composition;
- PSYCH 111: Introduction to Psychology;
- MOVESCI 110: Biological and Psychological Bases of Human Movement;
- ECON 101: Principles of Economics I;
- SM 203: Introduction to Sport Management;
- SM 217: Business Communication;
- SM 313: Research Methods;
- STATS 250: Introduction to Statistical Reasoning (or STATS 350: Introduction to Statistics and Data Analysis);
- ACC 471: Accounting Principles (or ACC 271: Accounting Principles);
- ECON 102: Principles of Economics II (strongly recommended)

Students must have junior standing or 55 credits (and generally no more than 75) by fall term of the junior year, including prerequisites and completion of distribution requirements;

A strong overall record of academic achievement in college course work (although there is no minimum grade point average required, applicants who are competitive for advancement in the program will typically present a "B" average or better in prerequisite and distribution course work); and demonstrated interest and experience in the field of sport management as reflected in the application questions.

ADMISSION TO THE UNIVERSITY OF MICHIGAN
